SHOPPING TIPS

- Sales of 25% or more are rare at Trapp. Jump on this if offered.
- Similarly, free shipping below \$50 is not frequently offered. We suggest capitalizing on any free shipping below \$50 deals.
- Subscribe to the newsletter. Not only do you have a chance to win free products, but they also send exclusive sale codes to newsletter subscribers. They do not flood inboxes with emails. We generally get 1-2 emails per month.
- Candle Delirium has slightly lower prices on these products.
